

Catskill Golf Club

APRIL 2012 NEWSLETTER

We're Open! Thanks to the mild conditions throughout the winter, we've been able to open for business early this season. The course is in great shape, Keith Sprenger returns as our Pro, and we're cranking up for a banner year – come on out and PLAY!

Thanks: To Carl Jump and Tony Vizzie Sr. for all the clearing and cleanup work they did this winter – you'll notice an amazing difference all over the course. Let's all pitch in by fixing ball marks and replacing divots and keep our gem shining, and look for ongoing work on the Ladies tees this season!

Thanks also to Fred Becker for re-working the advertisements page of the Newsletter – GREAT job, Fred – let's try to patronize our advertisers!

From the Pro: Hi everyone and welcome back! This is my eleventh year and I am excited about helping make this a great season of golf at Catskill Golf Club. Try a Group Lesson with some of your friends at a great price: 2 students at \$30.00 each for an hour lesson; 3 students at \$25.00 each for an hour lesson and 4 students at \$20.00 each.

Now is a good time to order that new Driver or set of irons. I will fit you so that you get the right equipment and I can guarantee you a great deal. See you soon!

Fairways Restaurant: The restaurant is open as well, continuing under Darlene's stewardship – that means great food and drink at **very** reasonable prices. Watch for specials and keep the Club in mind when you need a place to have your special event!

Clubhouse Work Party: scheduled for Saturday afternoon, April 14. Play a round in the morning and pitch in for a while during the afternoon hours. The more people who help out, the less time it will take to churn through the list of to-do's. Efforts like this one are what make us a Club, so come on out and join your friends for a fun and productive afternoon!
