

Catskill Golf Club

JUNE 2012 NEWSLETTER

Rate News: The price of the 10-play Membership has been reduced from \$525 to \$400, cart included! More good news: once used, the amount of this membership, minus cart costs, can then be pro-rated toward any of our other membership options. For those still on the fence about re-joining: **COME ON BACK!!**

Junior Golf: Check out our new Junior Golf program as we try to get the next generation interested in the game. A link to the entire presentation is available on our website home page. In conjunction with this offering, the Club is actively looking to sponsor a student from each area middle or high school for a summer membership. We will be asking local Athletic Directors to identify a deserving student, who will then be able to golf and receive some lessons from Keith during the summer. It is our hope that these students will acquire a love of the game and some appreciation for the values the sport teaches. There will be a collection jar behind the bar for anyone wishing to donate. Thanks!

From the Pro: Remember, Keith can order almost anything you'd like at competitive prices, will fit clubs to your game, and can also accommodate your shopping from shoes to snappy apparel. He continues to offer great deals on individual or group lessons, and can help you take advantage of reciprocal playing privileges (like Rondout for \$25 with cart!) he's arranged with clubs throughout the area.

Fairways Restaurant: Specials continue, from the Happy Hour through regular lunch and dinner offerings, and the Friday Fish Fry remains a favorite. Stop in for lunch during the week if you're in the neighborhood!

Save the Dates: **July 20-22** – Invitational Weekend... **Aug. 5** – Mikhitarian Member-Guest... **Aug. 11** – Pig Roast!!!

Pig Roast 13 Week Club Raffle Winners: Week #1: Darlene Schnur; Week #2: Joe Iraci; Week #3: Dennis Perrotta... see Carl Jump, any Board member, or ask in the restaurant about ticket info. Check the website home page for event information.
