

Catskill Golf Club

MARCH 2012 NEWSLETTER

Thank You: To all who have volunteered their time and skills to benefit the Club as we have worked toward a better financial position. To all who have organized and helped out in work parties, pig roasts, course and/or pool maintenance, at the restaurant, or in any other way, thank you for your efforts. Member participation is a ***must*** if we are to ensure our continued existence – if you've yet to pitch in, please consider helping out - see any Board member to indicate your interest and your assistance will be welcomed. Pitch in!

News From the Board of Directors: Please welcome new Board member Fred Becker, elected in February to fill the open spot. Also, remember that March 20 is the next threshold deadline for membership renewal rates. Lastly, keep in mind that members receive a \$100 Clubhouse credit for bringing a new member into the Club – so make sure your recruit identifies you when submitting the membership application.

April Work Day: The mild winter has provided a head start on course readiness, but quite a bit needs to be done to get the Clubhouse set for the season. A work party has been scheduled for the afternoon of Saturday, April 14 – come out and play in the morning and hang around to help out. The more people we get, the less time it will take to churn through the list of to-do's.

Invitational: Jeff Holliday has taken over the Chairmanship of our keynote event this year. Thanks once again to Bert Coons for revitalizing the tournament, and plan for more of the same on July 20-21-22.

Pig Roast!! Save Saturday, August 11, on your calendars – the wildly successful Pig Roast returns this year. Stay tuned for information on the 13-week Club, with weekly cash prizes, and a full slate of fun stuff that makes this one a “don't miss”!

Handicap: The Handicap Chairman position remains open. Dave Champagne is serving in this capacity temporarily. Please see any Board Member to indicate interest in this voluntary position.

Website: www.catskillgolfclub.com is still the best way to stay abreast of what's going on at the Club. The site has been updated to reflect 2012 rates and a working tournament calendar is also available on the site. The more “hits” the website generates, the more exposure we get when people search the web to find places to play locally – meaning more business for the Club. Watch for our new ad on the website and on local cable TV.

Word of Mouth: We've got a fine, well conditioned layout here, along with a great restaurant. Pass the word and let people know they're welcome, and then make them feel that way when they come out – member testimonials are our best advertisements!

Masters Auction, Wednesday, April 4!!!!
