

Catskill Golf Club

MAY 2012 NEWSLETTER

On the Course: Weather's getting warmer and the course is rounding into shape, helped by the mild winter. The 9th green has come back very well from the sodding late last year, the bunkers are in great shape (look as you pass by, *don't* hit it in there to find this out!), and several projects are underway as well. Let's all do our part to take care of the course, replacing divots, fixing ball marks, and especially welcoming new people who come out to play! Keep **our Club** special!

Thanks: To all who helped out at the April 14 Work Party, from Jeff Holliday for organizing the day, to Darlene for feeding the group, to everyone who either came out or hung around after golf to be part of the effort. The Clubhouse looks great!

From the Pro: Remember, Keith can order almost anything you'd like at competitive prices, will fit clubs to your game, and can also accommodate your shopping from shoes to snappy apparel. He continues to offer great deals on individual or group lessons, and can help you take advantage of reciprocal playing privileges (like Rondout for \$25 with cart!) he's arranged with clubs throughout the area.

Fairways Restaurant: Check out the great Happy Hour special, available from 4 – 6 p.m. Monday through Saturday – a pitcher of Coors Light or Miller Lite beer and either an order of wings or a personal size pizza for just **\$10.99!** The **\$10.95 Friday Fish Fry** special continues this season as well – come rescue the plates because they're too small for the fish! Look for drink specials too!
